Welcome to Fluid Foundations

Thank you for booking the Fluid Foundations pole camp and for planning a visit to my studio. In this document, you will find information about the program and workshops, a list of items to bring, details on reaching the studio, the nearest airport, train stations and connections, and information about hotels and apartments.

Friday, 12 March 2027

Starting from 13:00, you may arrive at the studio at any time, and I will be there. **Please do not arrive earlier than 13:00.**

Between 13:00 and 14:30, we will have a short meet & greet, where I would like to get to know each one of you. Feel free to introduce yourself and share a few words about your pole journey. We can have a drink together, alcoholic or not, and then begin training.

The studio has two rooms: one large room with 10 poles and a smaller one with 5 poles. Workshops will be held in the large room, with all participants together. **Poles are shared: two participants per pole.** All workshops will be conducted in English. However, if needed, I can repeat the explanations in German.

Friday's workshops

14:30–16:00	**Spin Technique** Anamaria · Spinning pole
16:15–17:45	**Flow Choreography** Anamaria · Static pole
18:00–19:30	**Heels Foundations: The Art of the Arch** Mateva · Static pole / heels

In the evening, after a full day of workshops, we will gather for dinner and drinks in the city. Attendance is optional, but I would appreciate the opportunity to get to know each other better. **Please keep in mind that dinner and drinks in the city are at your own expense.**

Saturday & Sunday

Saturday, 13 March 2027

11:00–12:30	**Flowy Fundamentals** Anamaria · Spinning pole
12:45–14:15	**Power Spins & Dynamic Tricks** Anamaria · Static pole
14:30–16:00	**Heels Cunt-Ditioning** Mateva · Static pole / heels
16:15–17:45	**Strong Grace: How to Build Your Body for Pole** Angelica Badlo · Authentic Coaching

Saturday’s workshops finish at 17:45. After an action-packed day, you will have some well-deserved downtime, and maybe even explore the city a little. Giving your body time to rest and recover is an important part of training and will help you feel ready for the next day.

I will be around to chat, answer questions or give you tips on tricks if you need any help. As for the evening, feel free to discover the city at your own pace or join some of the other camp participants. There is no shortage of great restaurants and bars to check out! Just make sure to get a good night’s sleep so you are ready for the next day’s workshops.

Sunday, 14 March 2027

10:00–11:30	**Heels Virgins** Mateva · Static pole / heels
11:45–13:15	**Flow Choreography** Anamaria · Static pole choreography

Please allow a little flexibility when planning your journey home. Workshops may occasionally run slightly longer than scheduled as we take time for questions, photos and a final chat together. If possible, leave some extra time before your train or flight so you can enjoy the end of the camp without feeling rushed.

All workshops last 90 minutes, with 15-minute breaks between sessions.

The studio is in the same building as the NORMA supermarket. Parking time is limited. To register for free parking, please provide your **licence plate number, country of registration and full name** before arrival.

I will create a WhatsApp group shortly before the camp, usually 1–2 days beforehand, and ask for these details there. **Please wait for the group and do not send separate emails with your parking information.**

We will also use the WhatsApp group for last-minute information, updates, and the photos and videos taken during the workshops.
